

ENFIELD The Home Range

ENFIELD presents a wide range of locks and security products that offer trouble-free operation with full support. The family of security items range from high security 6-pin cylinders to through-hardened chain, cylinder-operated lockcases to Rim nightlatches, high security escutcheons to handles & sundries.

ENFIELD is the well established home brand of Codringtons Ltd. of London, which offers comprehensive product support, planning & advice from pre-sales to post-installation. Codringtons hold extensive stocks of locks and items from the diverse ENFIELD collection which are manufactured all over the world.

The ENFIELD range includes:

- **Chain:** Through-Hardened or Case-Hardened; a selection of lengths or available cut-to-order
- **5-Pin Cylinders:** Open-Profile Euro & Oval Cylinders, Cylinder-Operated Padlocks, Rim, Screw-In & Cam Cylinders
- **6-Pin Cylinders:** Registered & Restricted Euro & Oval Cylinders, Cylinder-Operated Padlocks, Rim, Screw-In & Cam Cylinders
- **Lockcases:** British style Euro Cylinder-Operated Lockcases suitable for commercial or institutional environments
- **Security Escutcheons:** Chrome or Gold Plated
- **Handles & Sundries:** Variety of handles, security bolts & latches
- **Rim Nightlatches:** Accepts all standard rim cylinders; available in two sizes - regular and narrow
- **Cash Boxes & Key Cabinets**
- **Narrow Stile Mortice Locks**
